Department of Civil Engineering

WORLD ENVIRONMENT DAY CELEBRATION

People come together to pledge towards building a greener planet. Keeping this aim in view, Department of Civil Engineering celebrated World Environment Day on 5th June 2021. Faculty members from Civil Engineering Department participated and celebrated world environmental day enthusiastically. They were asked to plant a tree to create a green corner. The event was conducted successfully with whole hearted participation and awareness about plants.

World Environment Day

WEBINAR

Webinar on "Era of digital construction" was organized by department of Civil Engineering in collaboration with Bim lab on 5/6/2021 from 10.00 AM to 11.00 AM using Zoom. Ms. Seena S was the speaker. The program was attended by the students of S8, S6, S4 and S2 along with the faculties. The speaker explained the importance of learning BIM software in the modern construction world. The webinar was very informative and well appreciated by the participants.

ALUMNI TALK

SPEAKER: BERIN JOYSHA
STRUCTURAL ENGINEER
SNGIST 2010-2014 BATCH

PLATFORM: GOOGLE MEET

JUNE 14, 2021 **10 AM to 11 AM**

SEA SNGIST Engineers Association

The Alumni Association of Department of Civil Engineering organized "ALUMNI TALK SERIES"- a program to facilitate, consolidate and coordinate Alumni Activities at SNGIST Group of Institutions on 14 June 2021. Mr. Berin Joysha (SNGIST 2010- 2014 Civil Engineering batch) was the speaker. He is working as Managing Director of STEDAC India Pvt. Ltd Angamaly. The speaker also interacted with the students and gave career guidance regarding higher studies and placements. Students asked many questions regarding placements and the alumni shared their views and ideas with the students. The event was stimulating and enjoyable and simultaneously profitable as the speaker and participants shared their views and good numbers of new ideas, information and insights.

WORLD BLOOD DONATION DAY CELEBRATION

Department of Civil Engineering organized an awareness program for World blood donation day on 14 June 2021. Students of Civil Engineering Department shared awareness video regarding the importance of blood donation. Blood donation is definitely a noble act. Donating blood can help in treating patients suffering from cancer, bleeding disorders, chronic anemia associated with cancer, sickle cell anemia, and other hereditary blood abnormalities.
